Rev Essie's Word from the Rev.'s Popovich at Shiloh Bible Institute
Washington, Pa. 15301

Pastor Ed Popovich:

...and we award this diploma of biblical studies to Esther Scott. Bless you. We'll just anoint you with the oil. We send you out with the power of the Holy Ghost. We send you out with God's anointing of fresh oil upon you. And Lord we just pray right now for Essie Lord that you would just bring forth a fullness of your Spirit within her life. We charge her with the gospel of Jesus Christ and that Lord Jesus she would flow by your Spirit. Lord I pray that you would just give her the ears to hear what you are speaking and discernment Lord to know what is of you and what is not of you. For Lord, many times there are different voices that comes to her. Voices from the North, Voices from the South, Voices from the East and West and they are conflicting voices. But Lord cause her to stand in your Voice. Cause her to stand in your discernment that she'll know what is of you and what is not of you and she would hear your voice clearly Lord and there would come forth the sure anointing of the Holy Ghost. Not mixed with anything but just the pure anointing of your spirit. And Father God, we do thank you Lord and Father we give you the praise now in the name of Jesus Christ... (Oh! hallelujah!) In Jesus name, thank you Jesus, thank you Jesus, thank you Jesus, hallelujah! Praise the Lord, Praise the Lord. And one thing I just hear the Lord saying Essie. . . "Take root, take root, take root, take root" and then you'll not be swayed by everything, every wind of doctrine". "Take root" says the Lord. Thank you Jesus, thank you Jesus.

Pastor Janet Popovich:

. . . and Essie, the Lord's speaking to me and He's saying that you are alright all by yourself. (Essie crying with "Praise the Lord"'s in the background from *witnesses* in the church.) You are alright all by yourself, just you and me. You don't have to present yourself to be anything else what other men or other people may think that they would want you to be. He said, "Essie you have been special in the sight of your God ever since a small little child His hand has been on your life. He has directed you, he has led thee, He has

shown you at different times the way to go. Not every time did you follow but He has shown different things about things that He wanted and He was directing you in areas that you needed to go. But He says that you are alright all by yourself, you and the Lord. Don't look to how you can bring forth the gospel to others but look to Him and He will bring the gospel of Jesus Christ through you. For there is an anointing on your life. He has anointed you and the anointing my daughter is enough. The anointing my daughter is enough. And know that I anoint that which I want to use and I want to use you. And I say unto you my daughter don't be used of man for that time has passed. For you are used of God and God wants you to be separated unto Him and he used of Him. For He has anointed you and you are favored of the Lord because of that anointing He has put on you. hallelujah! hallelujah! And know that the enemy has been out all your life to rob you of that anointing, to lead thee this way and to lead thee that way. The enemy tried to sway you this way and that way but know that God is leading you. Keep your eyes upon Him. For you are anointed and He has called you to (hallelujah!) follow Him. (hallelujah!) Thank you Jesus! Lord I ask that you'd give her ears, ears Lord to hear what the Holy Spirit would speak unto her Lord God. Ears that would be in tune to the Word of God over the words of the enemy, or words of the flesh or words of the world, ears to hear that what the Lord is saying. hallelujah! A mind renewed in the presence of the Lord.

We just thank you Lord for the mind of Christ. We thank you Lord that your hand is on her Lord God and that she will be able Lord God as when the enemy comes to bring things on her mind that Lord that she'd be able Lord God to pull upon the strength of the Word of God to think upon these things that are good, and Holy and just and of good report. And that which you would have her to think Lord God. We thank you Lord for the anointing on her. Lord we 'set' her out...we 'send' her out Lord God, Hallelujah! We send her out Lord God with a recognizing between me and, her, the leadership that you have put.. hallelujah!.. her under, for we see we have talked about the anointing on her life. It is very prevalent it is there and that Lord I just thank you Jesus that Essie would just cherish the fact of the hand of God that's on her life. hallelujah! hallelujah! Thank you Jesus! Just give her a greater understanding of your love" Oh! And a greater desire to follow your ways. hallelujah! In the mighty name of Jesus we pray. Amen! Thank you Jesus!

ryJ! TYJ! (More whispered in her ear about Essie having an ‘Apostle Paul anointing’ that wherever she goes, all Hell will break loose and that *her anointing is unusually strong as well as her discernment. Essie will not easily ‘fit in’ which is to be expected.*) All Essie needs is God by Himself and not to depend on **ANYONE** else. “Beware of the voices that try to come to you”, Pastor Janet says and more not to be printed here.) TYJ! ryJ! TYJ! TYJ! TYJ! Praise the Lord! Praise the Lord!
